- Administer informal and formal assessments.
- Evaluate and assesses student progress against instructional objectives.
- Provide small group instruction in an environment conducive to the intellectual, physical, social and emotional development of each student to ensure success.
- Provide daily push in and pull out support.
- Monitor the progress of students and identify those who are having learning issues or other academic problems.
- Communicate with school personnel and parents of children regarding reading and/or math level and rate of progress.
- Create differentiated lesson plans for each scholar based on assessment data.
- Create exit tickets for each lesson to check for understanding.
- Document interventions and progress monitor on a regular basis.
- Provide whole group math and/or reading instruction to support Soleil's instructional coaching model
- Participate in team reviews concerning academic progress for students who are struggling or are in need of interventions.

To staff:

- Work collaboratively with general education teachers to align interventions with skills covered in the classroom
- Provide professional development for staff as needed.

To standards:

- Embody mission and vision of school
- Teach and enforce school-wide systems, rules and consequences, disciplinary codes, and rewards at all times
- Assess students frequently through formal and informal measures

THE QUALIFICATIONS

Required:
